

The ENMAX group of companies is a leading provider of electricity services, products and solutions. We are headquartered in Calgary, with operations across Alberta and Maine.

Through our subsidiaries, ENMAX Power Corporation and Versant Power, we own and operate transmission and distribution utilities that safely and reliably deliver electricity to customers in Calgary and northern and eastern Maine. Through ENMAX Energy Corporation, we own and operate power generation facilities and offer a range of electricity and natural gas products and services to our customers.

At ENMAX, we are proud of our strong history of achievements in environmental, social and governance (ESG) practices and performance. Below is a selection of highlights from our 2023 ESG Report which demonstrate our evolution as a responsible corporate citizen and future-oriented energy provider.
