RE: Heritage Drive SE 138 - 9.83L Transmission Line Replacement

Dear Landowner/Resident/Occupant/Business Owner:

We are reaching out to share information about the proposed Heritage Drive Southeast-9.83L Transmission Line Replacement Project.

This information package is intended to give you a clear overview of the project and what it may mean for the area. Inside, you'll find:

- project newsletter with information about the location and schedule; and
- an Alberta Utilities Commission (AUC) brochure that explains the AUC's role and how approval works for projects like this.

Open house

We're committed to actively engaging community members and obtaining your feedback. Join us at the open house to learn more about the Project and ask questions:

Saturday, October 24, 2026 | 1 – 6 p.m.

Kingsland Community Hall
505 78 Avenue SW, Calgary, AB

If you would like more information about the regulatory approval process, please reach out to the AUC for more information.

Your feedback is important to us, and we encourage you to reach out at any time. The enclosed newsletter will outline the proposed route the transmission line will take, structure locations, the types of structures, and other details about the Project.

Thank you for your time and interest in the Project.

Sincerely,

Stakeholder Relations
ENMAX Power

In the spirit of reconciliation, we respectfully acknowledge that we live and work on the traditional lands of Indigenous Peoples. ENMAX headquarters is in Calgary, Alberta, the traditional territory of the Blackfoot Confederacy, comprised of the Siksika, Kainai, Piikani, and Amskapi Piikuni Nations; the Tsuut'ina Nation; and the îyârhe Nakoda Nations of Chiniki, Bearspaw, and Goodstoney, and home to the Métis Nation of Alberta, as well as many diverse Indigenous people who have made the city their home. We are committed to strengthening relationships with Indigenous Nations and peoples in all communities where we operate, through respect and collaboration.
