

## ENMAX named one of Canada's Greenest Employers

*Environmental programs and team member involvement recognized for tenth time since 2009*

For Immediate Release – April 20, 2022

**Calgary, Alta.** – ENMAX Corporation is honoured to be recognized as one of Canada's Greenest Employers for 2022 by Mediacorp.

“Environmental stewardship is and always has been important to us at ENMAX. This recognition reflects how our commitment is embedded in every aspect of our business,” said Jennifer Saldana, Director, ESG Performance and Reporting. “We're proud to operate responsibly and bring sustainable energy solutions to the communities we serve.”

For the award, ENMAX was evaluated using criteria including employee involvement and environmental management programs.

A few highlights that set ENMAX apart include:

- Our ongoing commitment to environmental, social and governance (ESG) excellence through our [ESG framework, targets and reporting](#).
- Our in-house waste reduction program including organics diversion and recycling.
- Our established environmental management system (modeled after [ISO 14001:2015](#), an international standard for environmental management), clear data collection and reporting processes, and strong internal procedures to manage environmental risks.
- Our certification by Electricity Canada (formerly the Canadian Electricity Association) as a Sustainable Electricity Company.

“Thank you to our team members who continue to bring us closer to our net-zero vision and to Mediacorp for recognizing ENMAX's commitment to a cleaner energy future,” said Saldana.
