

SITE ASSESSMENT & SURVEYING NOTICE

MAY 2023

NORTHWEST CALGARY TRANSMISSION LINE RELOCATION - BRENTWOOD

Project details:

Reference: 21633913

Location:

Work will occur in various locations north of Benton Drive NW and Bannerman Drive NW, south of Brenner Drive NW.

Dates:

Preliminary work activities such as surveying, utility locating, and site assessments will begin the week of May 15, 2023.

Duration:

We estimate that preliminary work activities will take five (5) days.

Work times:

Weekdays, 7 a.m. - 5 p.m.

What's happening?

In late summer 2023, ENMAX Power will begin relocating and rebuilding sections of the 16.61L overhead transmission line and some associated distribution lines throughout the communities of Brentwood, Charleswood, Collingwood and Dalhousie.

In advance of 2023 construction, preliminary work activities such as surveying, utility locating, and site assessments will be required in the community of Brentwood in May of 2023.

We understand that this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.
