**RE: No. 20 SUBSTATION
Switchgear Replacement Project
Time Extension Application**

Dear Landowner/Resident/Occupant/Business Owner:

On behalf of the ENMAX Power Stakeholder Relations team, we are providing an information package about our proposed No. 20 SUBSTATION Switchgear Replacement Project - Time Extension Application (the Project).

We have included the following documents for your review:

- Project Newsletter: contains details about the Project, the area in which the Project is located, and the planned Project schedule; and,
- The Alberta Utilities Commission (AUC) Public Involvement Brochure: outlines the role of the AUC and the approval process related to certain types of projects.

This information is also available on our website at enmax.com/no20substation. On this site, you can also find related documents and learn more about why ENMAX Power is filing this Project.

To learn more about the AUC regulatory process, please contact:

Alberta Utilities Commission

Phone: 403-310-4282

Email: info@auc.ab.ca

Website: auc.ab.ca

For more information or to provide feedback about the Project please feel free to reach out to us directly:

- Call us at 403-514-1471.
- Email us at stakeholderrelations@enmax.com.
- Use the online “Request a call back” feature at enmax.com/no20substation

Thank you,

Stakeholder Relations
ENMAX Power

In the spirit of reconciliation, we respectfully acknowledge that we live and work on the traditional lands of Indigenous Peoples. ENMAX headquarters is in Calgary, Alberta, the traditional territory of the Blackfoot Confederacy, comprised of the Siksika, Kainai, Piikani, and Amskapi Piikuni Nations; the Tsuut’ina Nation; and the Îyârhe Nakoda Nations of Chiniki, Bearspaw, and Goodstoney, and home to the Métis Nation of Alberta, as well as many diverse Indigenous people who have made the city their home. We are committed to strengthening relationships with Indigenous Nations and peoples in all communities where we operate, through respect and collaboration.
