**RE: NORTHWEST CALGARY Transmission Line Relocation Project
Information about our proposed utility work in your area**

Dear Resident/Occupant/Business Owner:

On behalf of the ENMAX Power Corporation (ENMAX Power) Stakeholder Relations team, we want to share this information package with you about our proposed NORTHWEST CALGARY Transmission Line Relocation Project (the Project).

We have included the following documents for your review:

- Project Newsletter: contains details about the Project, including the proposed work to be completed, Project location and the planned schedule; and,
- Alberta Utilities Commission (AUC) Public Involvement Brochure: outlines the role of the AUC and the Project approval process.

This information is also available on our website at enmax.com/nwcalgaryproject. On this site you will also be able to learn more about why ENMAX is proposing this transmission project.

Providing Your Input

Our team is committed to actively engaging with stakeholders and obtaining your feedback about the proposed Project - your input is valuable to us. The stakeholder consultation process will allow us to effectively share Project information and address any questions or concerns you may have in advance of filing the Project with the AUC.

ENMAX plans to host an in-person **Landowner Information Centre**, where you will have the opportunity to engage with the Stakeholder Relations team and learn more about the Project. These will include discussions about the need for the Project, route options, environmental considerations and ENMAX's Participant Involvement Program.

Please feel free to attend one of the following sessions outlined below:

LOCATION	Silver Springs Golf & Country Club: 1600 Varsity Estates Drive N.W. Calgary
DATE(S)	<ul style="list-style-type: none">• April 8, 2022• April 12, 2022• April 13, 2022
TIME(S)	Drop-in times between 11:00 a.m. to 8:00 p.m.

The AUC Process

In Q2 2022, ENMAX will file an application with the AUC for approval of the Project. The AUC will review the application through its formal process, where stakeholders are provided an additional opportunity to participate. To learn more about the AUC process and how you can become involved, please refer to the brochure included in this package titled, *“Public involvement in a proposed utility development”*.

To learn more about the AUC regulatory process, please contact:
