Dear Resident/Owner/Occupant:

RE: PROJECT UPDATE - ENMAX No. 37 Substation Capacity Upgrade Project
Location: 5099 68 Street SE

ENMAX Power Corporation (ENMAX Power) would like to provide you with a revised schedule for the ENMAX No. 37 Substation Capacity Upgrade Project (the Project).

ENMAX Power had previously engaged with stakeholders and expected to file the application with the Alberta Utilities Commission (AUC) in **2021**. The revised date to submit the application is **Q2 2022**. Subject to approvals being granted, construction is scheduled to begin in **Q2 2023** with an expected in-service date in **Q4 2024**.

Enclosed, please find the updated project newsletter and the updated Alberta Electric System Operator (AESO) Need Overview notification.

For more information regarding the need for these substation upgrades, please contact the AESO at stakeholder.relations@aesocanada.com or 1-888- 866-2959.

If you have any further questions or concerns, please contact our Stakeholder Relations team at stakeholderrelations@enmax.com or (403) 514-1471. To stay informed or learn more about the Project, please visit www.enmax.com/projects.

Sincerely,

Stakeholder Relations
