**RE: CENTRAL CALGARY  
Transmission Line Replacement Project**

Dear Landowner/Resident/Occupant/Business Owner:

On behalf of the ENMAX Power Stakeholder Relations team, we are providing an information package about our proposed CENTRAL CALGARY Transmission Line Replacement Project (the Project).

In accordance with regulatory requirements, you may be receiving notification about this Project because you have an interest in land that is located on or directly adjacent to the existing 3.82L underground transmission line (as illustrated in the enclosed map entitled "Overview Map"). Please note, construction activities associated with 3.82L are only proposed to occur in and around ENMAX No. 3 Substation (139 17 Avenue NW) to accommodate the new electrical connection into that substation.

---

We have included the following documents for your review:

- Project Newsletter: contains details about the pending Project, the area in which the Project is located, and the planned Project schedule; and,
- The Alberta Utilities Commission (AUC) Public Involvement Brochure: outlines the role of the AUC and the approval process.

This information is also available on our website at [enmax.com/centralcalgaryproject](http://enmax.com/centralcalgaryproject). On this site, you can also find related documents and learn more about why ENMAX Power is seeking AUC approval of the Project.

### **Providing Your Input**

Our team is committed to actively engaging with stakeholders and obtaining your feedback about the proposed Project – your input is valuable to us. The stakeholder consultation process will allow us to effectively share Project information and discuss any questions or concerns you may have in advance of filing the application for the Project with the AUC.

ENMAX Power plans to host six Open House sessions, where you will have the opportunity to engage with the Project team and learn more about the Project, including Project need, potential route options, environmental considerations and ENMAX Power's Participant Involvement Program.

Please feel free to attend any of the following Open House sessions outlined below:

LOCATION		
	<b>Winston Golf Club</b> <b>2502 6 Street NE, Calgary</b>	<b>Best Western Village Plus Inn</b> <b>1804 Crowchild Trail NW, Calgary</b>
DATES		
	<ul style="list-style-type: none"><li>• April 9, 2024</li><li>• April 10, 2024</li><li>• April 11, 2024</li></ul>	<ul style="list-style-type: none"><li>• April 16, 2024</li><li>• April 17, 2024</li><li>• April 18, 2024</li></ul>
TIMES		
	<ul style="list-style-type: none"><li>• 11:00am – 3:00pm</li><li>• 4:00pm – 8:00pm</li></ul>	<ul style="list-style-type: none"><li>• 11:00am – 3:00pm</li><li>• 4:00pm – 8:00pm</li></ul>

### The AUC Process

In Q3 2024, ENMAX Power will file an application with the AUC for approval of the Project. The AUC will review the application through its formal process which allows for participation of interested parties that may be directly and adversely affected. To learn more about the AUC process and how you can become involved, please refer to the brochure included in this package titled, “Public involvement in a proposed utility development”.

To learn more about the AUC regulatory process, please contact:

Alberta Utilities Commission

Phone: 403-310-4282

Email: [info@auc.ab.ca](mailto:info@auc.ab.ca)

Website: [auc.ab.ca](http://auc.ab.ca)

For more information or to provide feedback about the Project please feel free to reach out to us directly:

- Call us at 403-514-1471.
- Email us at [stakeholderrelations@enmax.com](mailto:stakeholderrelations@enmax.com).
- Use the online “Request a call back” feature at [enmax.com/centralcalgaryproject](http://enmax.com/centralcalgaryproject)

Thank you,

Stakeholder Relations

ENMAX Power
