Dear Landowner/Resident/Occupant/Business Owner:

RE: **No. 54 Substation
Substation Capacity Upgrade Project Facility Application**

ENMAX Power Corporation's Facility Application for the No. 54 Substation Capacity Upgrade Project was filed on May 15, 2026, with the Alberta Utilities Commission (AUC) as Proceeding 30816.

On June 26, 2026, the AUC approved the application through Decision 30816-D01-2026. ENMAX Power appreciates the interest and feedback shared by stakeholders throughout the regulatory review process.

To learn more about the project and view information related to Proceeding 30816, please visit enmax.com/no54substation.

For more information about the AUC and its regulatory process, please visit auc.ab.ca.

Sincerely,

Stakeholder Relations
ENMAX Power

In the spirit of reconciliation, we respectfully acknowledge that we live and work on the traditional lands of Indigenous Peoples. ENMAX headquarters is in Calgary, Alberta, the traditional territory of the Blackfoot Confederacy, comprised of the Siksika, Kainai, Piikani, and Amskapi Piikuni Nations; the Tsuut'ina Nation; and the iyârhe Nakoda Nations of Chiniki, Bearspaw, and Goodstoney, and home to the Métis Nation of Alberta, as well as many diverse Indigenous people who have made the city their home. We are committed to strengthening relationships with Indigenous Nations and peoples in all communities where we operate, through respect and collaboration.
