Dear Resident/Owner/Occupant:

RE: Application filed with the Alberta Utilities Commission for the ENMAX Southeast Substation Safety Enhancement Project

ENMAX Power Corporation (ENMAX Power) would like to advise you the Facility Application has been filed with the Alberta Utilities Commission (AUC) for the ENMAX Southeast Substation Safety Enhancement Project on March 1, 2022. The application has been assigned proceeding number **27193** and can be accessed online at www.auc.ab.ca.

ENMAX Power's application identified the No. 32 Substation option as the preferred option and the No. 45 Substation option as the alternate option. The AUC will issue a public notice that you will receive in the mail if you are in the Project impact area. This notice will outline how to submit any concerns you may have with the Project directly to the AUC.

If you have any questions about the upcoming process or the project, please contact Stakeholder Relations at stakeholderrelations@enmax.com or (403) 514-1471.

To learn more about the Project please visit enmax.com/SESubstation.

Sincerely,

Stakeholder Relations
