**RE: ENMAX NO. 21 SUBSTATION
Transformer Replacement**

Dear Landowner/Resident/Occupant/Business Owner:

On behalf of the ENMAX Power Stakeholder Relations team, we are providing an information package about our proposed No. 21 SUBSTATION Transformer Replacement (the Project).

We have included the following documents for your review:

- Project Newsletter: contains details about the pending Project, the area in which the Project is located, and the planned Project schedule; and,
- The Alberta Utilities Commission (AUC) Public Involvement Brochure: outlines the role of the AUC and the approval process related to certain types of projects.

This information is also available on our website at enmax.com/No21substation. On this site, you can also find related documents and learn more about why ENMAX Power is filing this Project.

For more information or to provide feedback about the Project please feel free to reach out to us directly:

- Call us at, 403-514-1471
- Email us at, stakeholderrelations@enmax.com
- Use the online "Request a call back" feature at, enmax.com/No21substation

Thank you,

Stakeholder Relations
