Community Survey:

Central Calgary Transmission Line Replacement Project

Stakeholder Engagement Survey #1: December 1, 2025 – January 16, 2026

We're revisiting the Central Calgary Transmission Line Replacement Project.
We're reviewing technical information and community feedback, from those who live, work, or travel in the area.

This survey (8-10 minutes) is one way for you to share what matters to you. Your feedback will help us understand potential impacts, improve how we share information and support project planning. Participation is voluntary, and you may skip any question you prefer not to answer.

Your responses will be kept confidential and handled in accordance with ENMAX's Personal Information Commitment and Alberta's Protection of Privacy Act (POPA). We won't collect personal details like your name or email unless you choose to share.

We want to hear from you!
