**RE: 68 STREET NORTHEAST 38.83L
Transmission Line Alteration**

Dear Landowner/Resident/Occupant/Business Owner:

On behalf of the ENMAX Power Stakeholder Relations team, we are providing an information package about our proposed 68th Street Northeast 38.83L Transmission Line Alteration (the Project).

We have included the following documents for your review:

- Project Newsletter: contains details about the pending Project, the area in which the transmission infrastructure is located, the planned Project schedule; and,
- The Alberta Utilities Commission (AUC) Public Involvement Brochure: outlines the role of the AUC and the approval process related to certain types of projects.

This information is also available on our website at enmax.com/68StreetNE. On this site, you can also find related documents and learn more about why ENMAX Power is seeking approval for this Project.

For more information or to provide feedback about the Project please feel free to reach out to us directly:

- Call us at 403-514-1471
- Email us at stakeholderrelations@enmax.com
- Use the online “Request a Call Back” feature found at enmax.com/68StreetNE

Thank you,

Stakeholder Relations
