Can't make it?

Fill out our online survey from December 1 - January 16:
enmax.com/cctl

We need to replace aging transmission lines that deliver electricity to homes and businesses in your community.

At this consultation you'll:

- → Provide feedback that will help shape the project design - including pole locations, heights and whether sections are overhead or underground.
- → Be able to talk to project experts about your questions.
- → Be able to share information about local priorities.
