

Moving your energy with **easymax** by ENMAX Energy

Whether you're transferring your current easymax® plan or setting up a new energy plan, have the information below handy and we'll take care of the rest*:

- ✓ Your move out date
- ✓ Your move in date
- ✓ Your new address

To get started, use the **ENMAX Energy app**,
go to enmax.com/easymoves or call us at 310-6010.

Here are a few suggestions to help with a seamless move[^]:

Two months before

- Sort items to move, donate or toss.
- Set up moving day arrangements (moving company, rental truck and/or friends to help).

Six weeks before

- Collect moving supplies such as boxes, tape and labels.

One month before

- Begin packing and labelling boxes.
- Contact **easymax**® to set up energy in your new home.
- Send out change of address notifications and transfer services:
 - Bank and credit card companies.
 - Home/auto insurance.
 - Internet/TV provider.

One week before

- Re-confirm moving arrangements.
- Pack a suitcase with enough clothes and personal items for a few days.

One day before

- Defrost the freezer.
- Do a full clean of the house, including the fridge and oven.

Moving day

- Keep important items with you in the vehicle you are traveling in.
- Do a final walk through to ensure nothing has been left behind. Don't forget to check the basement and the garage.
- Turn off the lights, but don't turn off the main power source.

*You must give us at least 30 days' notice before you move and your notice must specify your new site identification number and service address. ENMAX Energy serves most areas in Alberta except for Medicine Hat, local gas co-operatives and some REAs. | ^The following are friendly suggestions of things you should consider when moving and is not intended to be an exhaustive list of everything you should consider or actions you should take.
